Notes:

1. Your advert must be paid in full prior to the ad being placed on the website.
2. Ad prices are based on adverts being supplied in a ready to use state. If you need an advert design for you, we can do this for you for a very reasonable price. Please contact us for details.
3. Adverts placed will be part of a rotating advert set. This is why we have a minimum impression level to make sure that you receive the best value for money. If you pay for 1 year and do not meet the minimum number of views we will extend it free of charge until your advert meets the minimum number of impressions.
4. If your business closes or you no longer wish to have your advert on the site we will remove it for you. There will be no refunds for contracts terminated early by the advertiser.
5. All prices are exclusive of IVA if applicable.
